

## JOINT PROGRAMME EXCELLENCE AND TARGETING HUB

### Tools, videos, updates and more: Resources on the Hub website

The [Hub website](#) is now online. The website includes information on the hub support process and a [dashboard on country support activities](#) with latest news. You can also [meet the Hub team](#) and find Hub FAQ's. If you have any additional questions not answered in the FAQ's, you can [email the Hub team](#).

[Visit the Hub website](#)

### Resources for enhanced collaboration

The Hub website includes [key resources for UNHCR-WFP collaboration](#) which the Hub is adding to. This includes [UNHCR-WFP Project Cycle Management Technical Briefs](#) - a synthesis of UNHCR and WFP approaches across the programme cycle in six concise summary chapters.

## Watch Hub webinar recordings

The Hub facilitated two webinars in December 2020: The **UNHCR-WFP Joint Targeting Guidance**, and **ProGres**, UNHCR's Registration and Case Management System.

Divided into digestible parts, the webinars are viewable on the [learning page](#) of the Hub website.

## Bringing solutions to data sharing: UNHCR-WFP systems interoperability

The Hub is working in close collaboration with the Common Cash Statement team to bring solutions to data sharing and systems interoperability between UNHCR and WFP, providing support at the global and country levels.

At the **global level**, the past months have seen the formalization of the initial business requirements for **biographic data interoperability between SCOPE and proGres**. The solution envisioned will allow near **real time update of beneficiary data from UNHCR to WFP** in order to better support the assistance of beneficiaries.

At the **country level**, the Hub is working with **Cameroon** and **DRC** country offices to improve data sharing.

## UNHCR-WFP Joint Assessments in Zambia and Rwanda

Two **joint UNHCR-WFP needs assessment to understand vulnerability and inform targeting of assistance and joint programming in Mantapala, Zambia and Rwanda** have recently been completed.

The Hub supported Country Offices in the **development of the assessment**

**methodology** and the **analysis** and are finalizing the reports. The results are guiding discussions on the feasibility and relevance of targeting, prioritization due to funding shortfalls and informing programmatic discussions on assistance and livelihoods support.

The Hub is also providing support to **joint assessments and analysis** in Cameroon, DRC, Jordan, Mauritania, Mozambique while support on **joint monitoring** is being provided in Cameroon.

## Hub support on AAP

The Hub is currently providing AAP support in **Cameroon, DRC, Mozambique and Rwanda**. This support includes the strengthening of existing **community feedback mechanisms**, joint **community engagement strategies** and **country-level AAP guidelines** to strengthen community engagement.

## Upcoming Hub webinars

### 1. UNHCR-WFP Data Sharing Practices

The Hub will facilitate an upcoming webinar on data sharing practices, focusing on the [2018 Data Sharing Addendum to the 2011 UNHCR-WFP MoU](#), and how the addendum is being implemented in different contexts.

### 2. UNHCR-WFP Joint Self-Reliance Strategy

The [WFP-UNHCR Joint Strategy on Enhancing Self-Reliance in Food Security and Nutrition in Protracted Refugee Situations](#) commits UNHCR and WFP to work jointly on enhancing refugee self-reliance in protracted situations in terms of food security and nutrition. This webinar will include **country case studies** on the implementation of the strategy.

Keep an eye out for invitations to register.

## We need your input!

We are currently conducting a survey on the Hub's support to UNHCR-WFP collaboration in country offices. If your country office is currently being supported by the Hub, **please help us by completing [a short 2-3 minute survey](#)**. The survey is only 12 questions long and **your input will help us greatly to improve our work** by informing planning and Hub support activities.
